

# Abby (Floor Standing Screen)

"silence makes all the difference"

## Product Description:

### Improve privacy & productivity

Abby screens absorb sound to create a quieter working environment. Help to increase concentration and productivity by reducing noise and distraction.

### Full width screens

Turn open plan offices into private workspace. Ideal space dividers. Choose widths and heights

### Narrow width screens

Ideal solutions for corners and curves. Cover awkward pillars and posts. Easy to arrange in special areas.

### Easy to assemble

Easy tapping screws, tools or other fixings to construct multiple screen layouts. Completely freestanding. Optional Screen Link for longer runs. If two or more screens are purchased a linking strip is recommended keep to the screens in a tight configuration

### Sturdy

Adjustable leg. Available in three widths 600 - 1500, and heights 1000 - 1500mm.

## Advantage:

Acoustic floor screen designed to dampen the noise level and screen off the office landscape. It is available in several formats and color combination and looks to fit many types of environment.
